## Fixing the missing login screen for Power Teacher

If you try to get into Power Teacher and the login screen is blank, this should fix it.

🙆 Login > FOG > Open
L

## **For Internet Explorer**

• Click the Settings icon that looks like a gear and choose Compatibility View Settings

- Scroll down through the list and find nccohio.org and select it to highlight
- Click the Remove button, then Close
- This should fix for Internet Explorer
